# LÖWEN DART APP

A UNIQUE GAMING EXPERIENCE

## Even more entertainment

The LÖWEN DART app is the perfect link between the LÖWEN DART HB10 and your smartphone. Individual features such as the display of game statistics and training successes as well as the possibility to network with other players offer darts fans a unique gaming experience.

To fully enjoy the added value of the app, it is essential to connect the LÖWEN DART HB10 to the Internet. This can be done either via LAN or by using an external WLAN stick. (Item no.: Z916127).

## Home page

The home page displays the most important statistical data over time. In addition, up to six personal favorite statistics can be displayed.

## Statistics

A wide range of statistics can be individually configured and filtered by time period for each game to measure your own progress.

## Game history

The game history offers an overview of the most recently played games, including information about the respective game partner. The newly integrated filter provides a good overview.

## Knowledge

Here, you will find all relevant information about the sport of darts. From playing instructions to a dart encyclopedia.

# LÖWEN DART APP

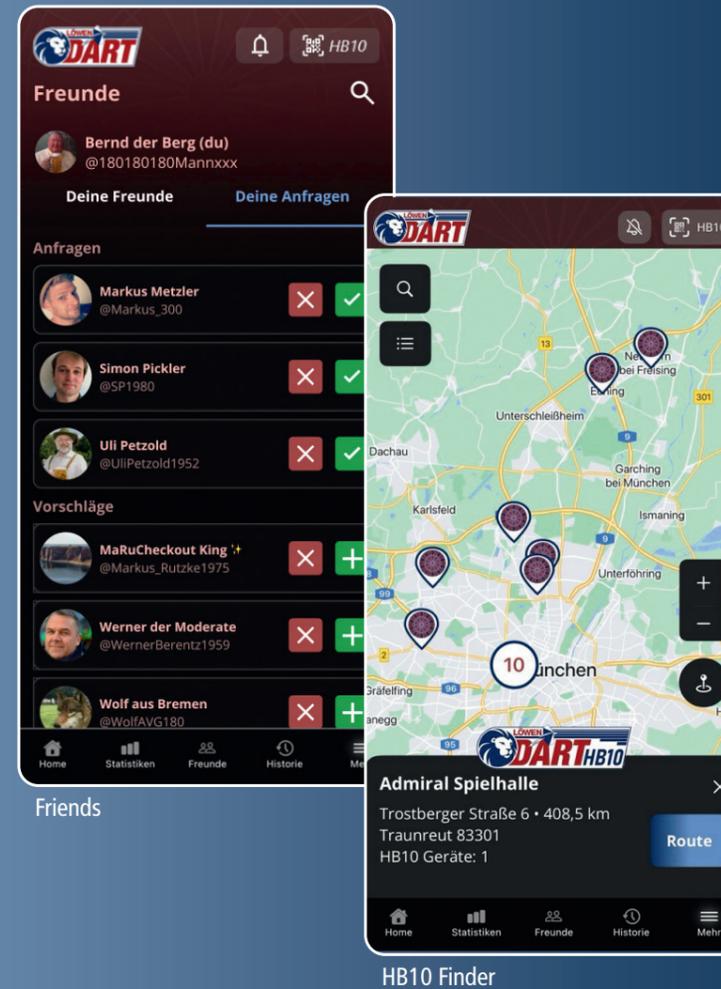

A UNIQUE GAMING EXPERIENCE

## Even more chances

The special training stimulus provided by the LÖWEN DART App significantly increases the duration of play on the LÖWEN DART HB10.

The newly created networking function has a positive effect on the frequency of play. It is important for players to keep up with their friends and impress them with new personal bests.

Features such as the HB10 Finder also have great potential to drive traffic to any venue.

**NEW**

POINT OF PLAY

## Advantages of the HB10 in your installation

The LÖWEN DART brand has been the undisputed market leader in the electronic darts sector for several decades. The key to success lies in the entire product portfolio built around the LÖWEN DART HB10, which is ideally suited to the needs of operators, landlords and players.

### Product for the future

Continuous software updates ensure that the LÖWEN DART HB10 and the LÖWEN DART app are always ahead of the curve. Feedback from operators, players and associations is incorporated into further development.

### Proven LÖWEN DART quality

Decades of know-how from the market leader combined with the use of proven hardware designed specifically for darts.

### Official DSAB league and tournament darts

The LÖWEN DART HB10 is used reliably at the German Championships as well as in the regular league and tournament operations.

### New target groups

With the innovative LÖWEN DART app, intuitive menu navigation and modern design, the HB10 opens up new target groups for the installation site.

### Higher visitor numbers and additional income

With a LÖWEN DART, you can offer your guests a very popular entertainment option and an attractive way to cash in. Visitors spend more time on the site and the new HB10 location finder function also increases the visibility of the installation site.

### Perfect for the hospitality industry

The HB10 is ready to use and generate revenue the moment it is set up. In addition to the advantage of not having to count the points yourself when playing e-darts, the plastic-tipped arrows are ideal for use in the hospitality industry.

### Customer retention

The LÖWEN DART app makes practicing even more fun. In addition, the installation site as a venue for league games provides many more reasons to visit regularly.

POINT OF PLAY

## Suitable for any installation site

The monitor kit (item no.: Z916142) reduces the height of the LÖWEN DART HB10 from 2.36 m to 2.20 m. This means that the HB10 is also suitable for use in rooms with low ceiling heights.

### Mounting on the side of the device

The additional monitor mounting bracket (item no.: E916439) allows the monitor to be mounted directly on the left or right side of the device.

Alternatively, a VESA mount can be used to place the monitor next to the housing after removal.

For more information on the conversion, including instructions, please visit our website at [www.loewen.de/dart](http://www.loewen.de/dart).

## Set the scene for your LÖWEN DART HB10 to shine

The textile backboard Dart (item no.: Z913057) is ideal for use with your LÖWEN DART HB10

- Printed on both sides with different designs
- Ideal for installing two HB10s side by side
- Easy assembly and disassembly
- Flame retardant display fabric (B1 certified)

Dimensions (W x H x D in cm): 295 x 238 x 40
