## FEATURE PASS

## HB10 FEATURE PASS - THE DIGITAL E-DARTS REVOLUTION

3K Dart Software, a league, association and tournament management specialist, and LÖWEN DART, an innovative electronic darts machine manufacturer with its own app, are joining forces to bring about a digital revolution in darts.

### THE NEW INTERFACE – INTEGRATED DIRECTLY INTO THE HB10

Combining 3K Darts with the LÖWEN DART HB10 makes organizing tournaments much easier. This makes it easy to connect several HB10 units, quickly draw up tournament schedules, and automatically and conveniently organize events – from major championships to small pub tournaments.

This creates a cutting-edge system for players, machine operators, pub landlords, and event organizers.

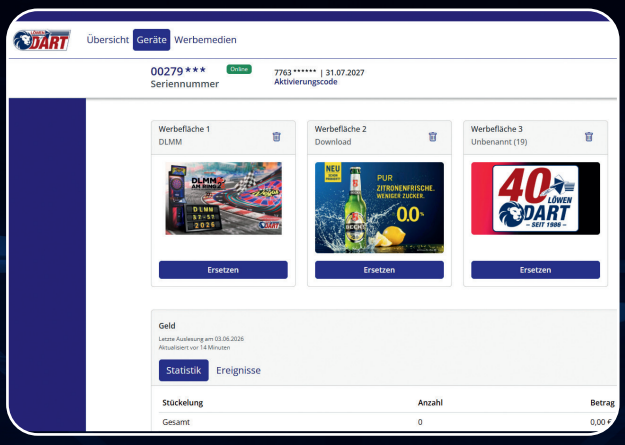

One of the key benefits of the HB10 Feature Pass is the new LIVE TOURNAMENT & LEAGUE section.

This allows:

- pub landlords to start the tournaments they have previously set up on 3K Darts
- team captains to access their DSAB league matches directly on the HB10

### EVEN MORE POSSIBILITIES WITH THE LÖWEN DART PORTAL

- Centralised online access to all your HB10 devices
- Easy login using your existing login details from the LÖWEN customer portal
- Automatic device overview of all HB10s with an active Feature Pass
- Transparent analysis of sales revenues, machine data and game statistics
- Customized advertising content can be displayed directly via the top monitor on the HB10
- Remote control: manage device settings on the go

## SALES POTENTIAL

## ADVANTAGES OF THE HB10 IN YOUR INSTALLATION

The LÖWEN DART brand has been the undisputed market leader in the electronic darts sector for several decades. The key to success lies in the entire product portfolio built around the LÖWEN DART HB10, which is ideally suited to the needs of operators, landlords and players.

### Increased visitor numbers and additional income
With a LÖWEN DART, you can offer your guests a very popular entertainment option and an attractive way to cash in.
Visitors spend more time at the venue, and the HB10 location finder further boosts the visibility of the installation site.

### Customer loyalty
The LÖWEN DART app makes practicing even more fun.
Hosting league matches creates further opportunities for regular visits.

### Perfect for catering venues
Ready for use and generating revenue immediately after installation.
Automatic scoring and plastic tips make it easy to use and ideal for the catering industry.

### New target groups
With the innovative LÖWEN DART app, its intuitive menu navigation and modern design, the HB10 attracts new target groups to the establishment.

### Tried-and-tested LÖWEN DART quality
Decades of know-how from the market leader combined with the use of proven hardware designed specifically for darts.

### Official DSAB league and tournament darts
A reliable choice for the German Championships as well as for ongoing league and tournament fixtures.

### Efficient operations
Its compact design, robust technology and ease of use ensure smooth, cost-effective operation.

### A product for the future
Regular software updates ensure that the HB10 and the app are always up to date.
Feedback from operators, players and associations is incorporated directly into the development process.

# LÖWEN DART APP
## COMMUNITY

## Close to the community

The LÖWEN DART app is the perfect link between the HB10 and the player's smartphone. It offers extensive networking opportunities and performance comparisons amongst darts players – including the popular "Friends" feature.

A new feature is the integration of a league and tournament overview: The Feature Pass enables tournaments and leagues to be run fully automatically and digitally on the HB10, with real-time statistics. This data is easily accessible via the app, which is complemented by a live ticker to maximize transparency and excitement.

In this way, LÖWEN DART fosters a sense of community and a spirit of competition while staying true to its mission: preserving tradition while shaping the future of the game.

### Statistics

A wide range of statistics can be individually configured and filtered by time period for each game to measure personal progress.

### Game history

The game history offers an overview of the most recently played games, including information about the respective game partner. The newly integrated filter provides a good overview.

### Knowledge

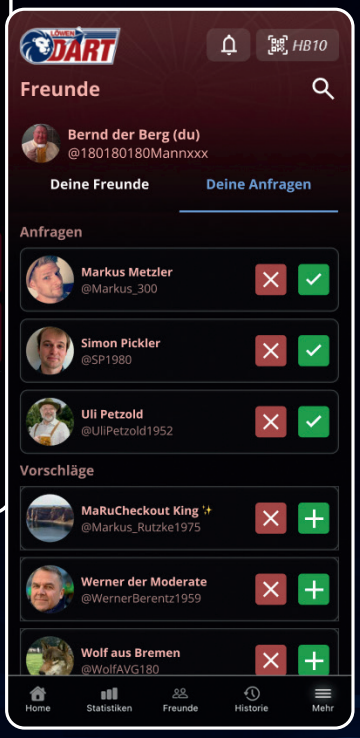

Here, you will find all relevant information about the sport of darts.
From playing instructions to a dart encyclopedia.

### Friends

Within the app, friends can network, compare results, see each other's best performances, and express mutual appreciation.
